[ ] I understand non-standard NBN installation or internal cabling may incur additional costs (e.g., $300 Subsequent Installation Charge). Refer to your plan's Critical Information Summary and visit the NBN category at support.myhomefone.com.au for details.

[ ] I understand my speed tier is the maximum possible off-peak speed. Actual speeds may vary significantly depending on distance from the NBN tower, signal strength, weather conditions, and network demand. See the NBN Fixed Wireless Key Facts Sheet for details.

[ ] I understand connection usually takes 1–21 days, depending on premises readiness. Some installations may take longer due to tower capacity and technician availability. If I withdraw my order, order withdrawal fees may apply.

[ ] I understand a minimum contract term of one month applies.

[ ] I understand that relocating a service to a different address is equivalent to cancelling and initiating a new service.

[ ] I understand MyHomeFone does not provide email services. Free web-based email service providers such as Gmail/Hotmail/Proton Mail are recommended.
