#### **IMPORTANT TO KNOW:**

- Roaming may not be available for destinations not listed in any of the above zones.
- Contact us before you travel to discuss your options and ensure roaming is supported and enabled for your plan.
- Where Day Pack Roaming Zone inclusions are available, you will receive an automated SMS notification upon arrival at the overseas destination. To activate this pack, you must opt-in via SMS as per the instructions set out within this notification.
- Day Pack Roaming Zone inclusions expire at midnight Australian Eastern Standard Time (AEST) after a continuous 24-hour block. Additional packs can be added after expiry or once all included data is consumed.
- Day Pack Users: While we take steps to ensure travelling users will not be impacted, there is a risk
  that during the transition between various networks, you may receive additional notifications to
  add a new pack via SMS opt-in. In this case, you should <u>not</u> opt-in, as this will incur a double charge
  for your existing pack. Only opt for a new pack once your existing pack has expired or once all
  included data is consumed.

#### **International Roaming**

Contact us before you travel to discuss your options. We typically recommend third-party International Roaming SIMs to avoid bill shock. These are specifically designed for temporary use abroad and provide better rates. If necessary, our team can help divert calls to your travel SIM while you're away.

The below rates are for our standard Australian SIMs. Your plan may not support international roaming.

#### Day Pack Roaming Zone 1 (Roaming Pass) Inclusions

- Unlimited calls and text within the zone and to Australia
- 1GB data
- Valid for 24 hours from first detected usage

Refer to the next page for the pack charge and available countries.

#### For countries outside Zone 1

Visit https://www.optus.com.au/mobile/plans/international-roaming/postpaid-rates for standard roaming rates.

#### **IMPORTANT TO KNOW:**

- Roaming may not be available for destinations not listed in any of the zones.
- Contact us before you travel to discuss your options and ensure roaming is supported and enabled for your plan.
- Where Day Pack Roaming Zone 1 inclusions are available, pack charges automatically apply upon first detected call or data usage within the zone. If the data allowance is exhausted within the 24-hour period, additional pack charges (top-up) automatically apply to renew the allowance.
